

David F. Carney

Resume

Mr. Carney's long and successful business career started with several years in Public Accounting with the national firm Deloitte & Touche, and for the last 40 years he has been involved in the Post- Secondary Education industry in several leadership positions.

- Mr. Carney's introduction to the education industry included 10 years as CFO/VP-Development of a major Public company's Educational Services Division which grew during the period from 4 to 25 schools. He played a major role in the sale of the business in 1987 to a New York based Private Equity firm.
- In 1987 Dave acquired a nationally accredited school in the Boston market. During the 10 years of ownership he added a second campus, a corporate training company, and grew enrollment with the addition of new programs and the development of corporate relationships. In 1997, Dave sold the company to a publicly traded Education company.
- Following the sale of his company, Dave assisted a NY based Private Equity firm to acquire Lincoln Technical Institute and following the closing in June 1999, became Chairman and CEO. During his tenure, the company grew from 13 schools in 6 states to over 40 campuses in 17 states. In 2005 the company filed its initial public offering (Nasdaq "LINC "). Following his retirement in 2010 he entered into a two year consulting agreement with the company as senior advisor to assist with strategic initiatives.
- In 2011 he founded his own company to consult in the post-secondary industry assisting clients with their growth plans and strategic initiatives.
- From 1990 to 1992, Dave was President of the Massachusetts Association of Private Career Schools. From 2001-2004 he served on the Board of Trustees and Finance Committee of Caldwell University. In 2006 he was the Recipient of the New Jersey Ernst & Young Entrepreneur of the year award, and in 2015 he became a Trustee of the Lincoln College of New England Foundation Board.
